

4th International Conference on Global Sustainable Development (ICGSD 2015)

December 16th to 18th, 2015

Venue

KASBIT AUDITORIUM,
Karachi, PAKISTAN

CALL FOR PAPERS

Contemporary world is striving to redefine the meaning and understanding of sustainable development in global perspective generally and local specifically. Objectives and scope of this conference are to provide an opportunity to researchers sharing their findings and insights on issues relating to various aspects of sustainable development in the areas of management/social sciences, information technology, environmental & climate change, and relevant areas.

Main themes for the conference are:

- **Philosophical, Ethical and/or Ethno-Cultural understanding of sustainable development**
- **Emerging trends in Marketing/Management/Economics**
- **Challenges and Opportunities for Globalization in International and local environment**
- **Increasing issues in climate change, water scarcity and/or pollution**
- **Global shift towards alternative fuel**
- **Entrepreneurial Development**

Selected Accepted papers will be published in KASBIT Business Journal [KBJ; ISSN 1994-1609 (Print), ISSN 2072-8018 (Online)]. KBJ is a double-blind peer reviewed open access research journal published bi-annually under the aegis of KASBIT and is included in International Serial Directories Indexed and listed at: Ulrich's, RePEc, DOAJ, ProQuest, Open J-Gate, NewJour database and WorldCat.
